

Registration

This is the landing page of DECOT:

This is the Registration Page. Key in the user details to register:

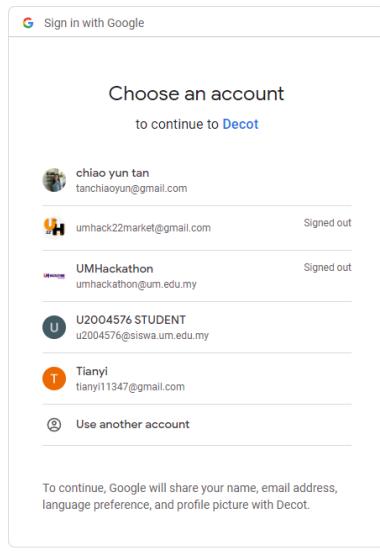

You may choose your role: Mentor or Mentee

Click the button to register an account

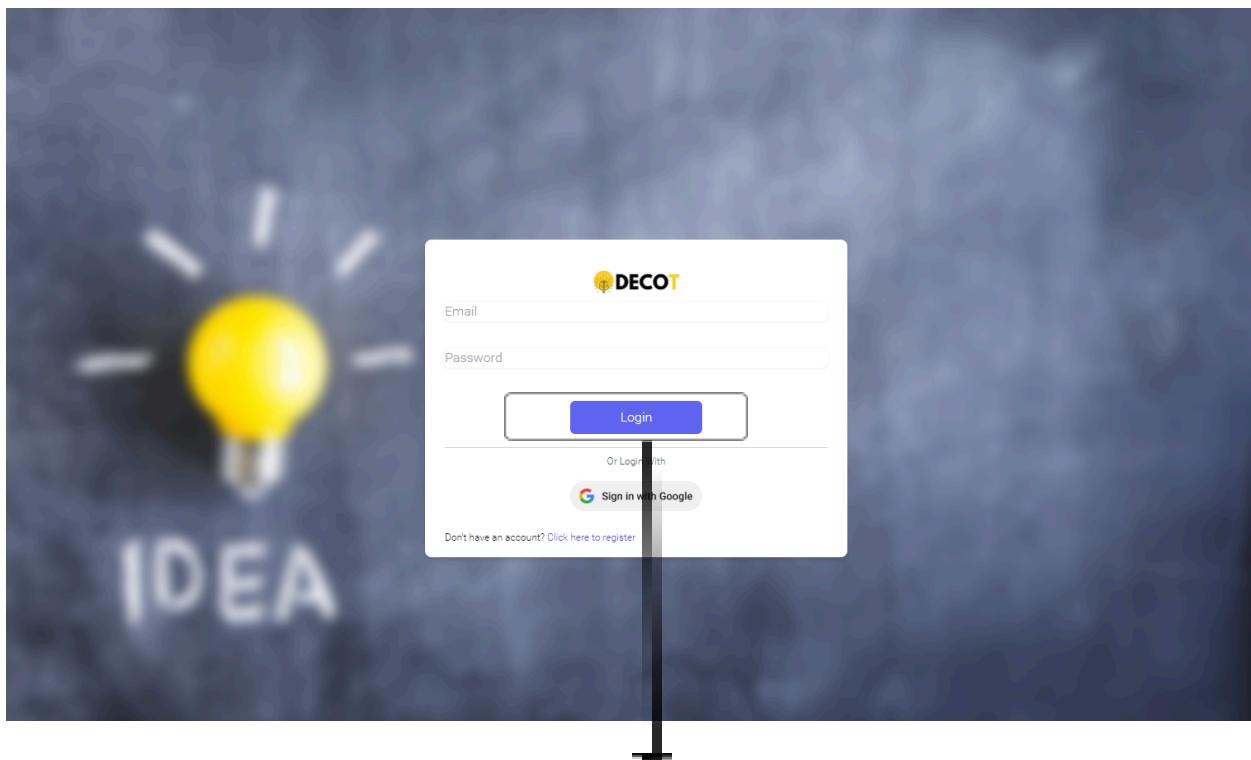

You may also register via
Google authentication

Choose any accounts to register:

Login

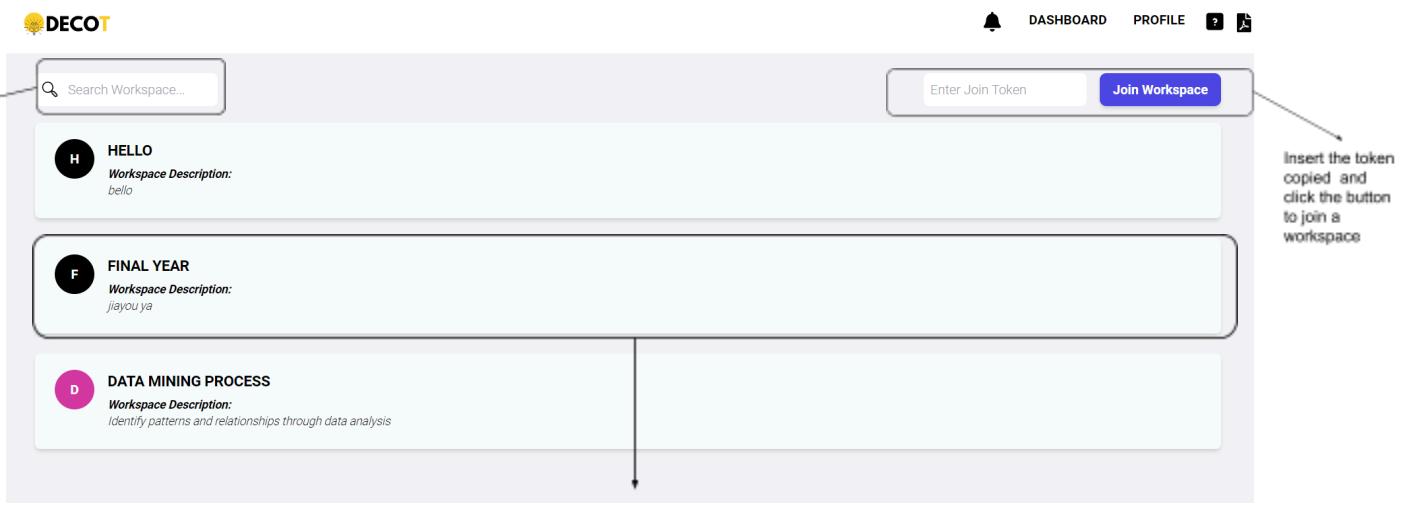

This is the Login Page. Key in your email and password to login:

Click the button to login

Dashboard

All your workspaces are displayed in this page:

When the notification icon is clicked,
The notification dropdown will display:

The screenshot shows the DECO platform interface. At the top, there is a navigation bar with the DECO logo, a search bar labeled "Search Workspace...", and links for "DASHBOARD", "PROFILE", and "Logout". A red notification icon with the number "2" is located in the top right corner. A dropdown menu titled "NOTIFICATIONS" is open, showing two notifications:

- Notification 1: "chiao yun tan has joined your Data Mining Process workspace" (12/10/2023, 9:42:49 PM). It includes "Mark as read" and "Delete" buttons.
- Notification 2: "U2004576 STUDENT has joined your Data Mining Process workspace" (12/10/2023, 9:02:36 PM). It also includes "Mark as read" and "Delete" buttons.

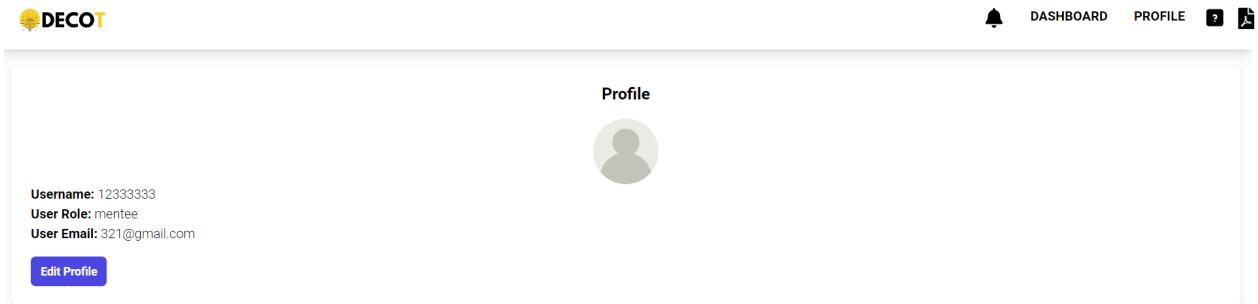

To the right of the dropdown, a callout text states: "Or you can choose to mark or delete on each notification".

Below the notifications, there are three workspace cards:

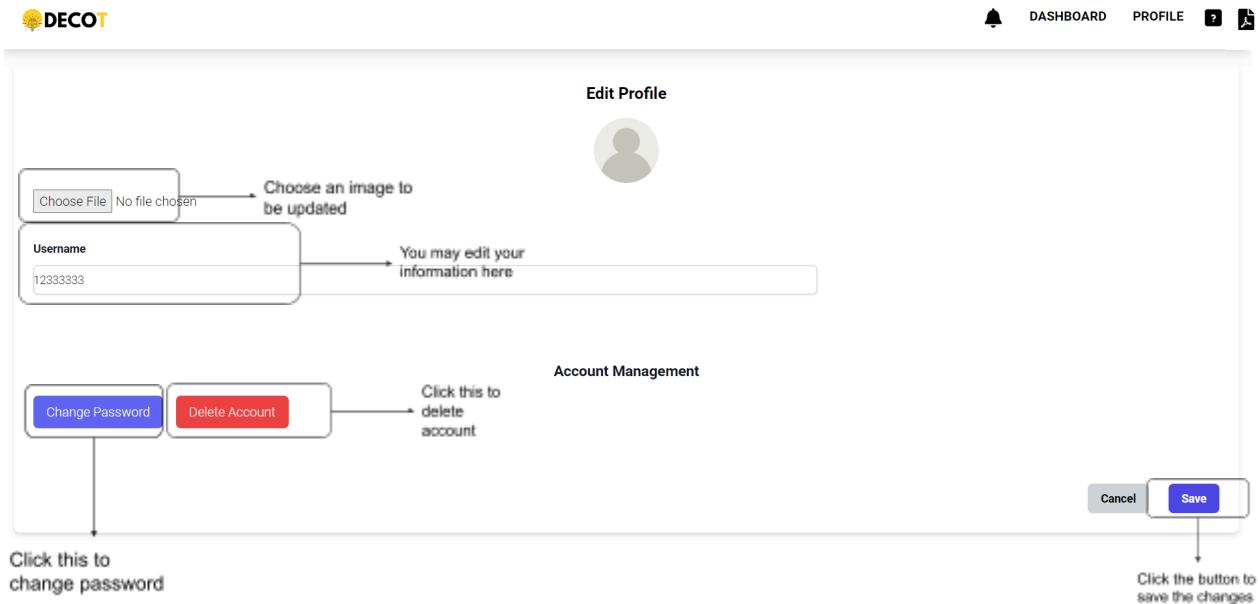

- HELLO**: Workspace Description: hello
- FINAL YEAR**: Workspace Description: jayou ja
- DATA MINING PROCESS**: Workspace Description: Identify patterns and relationships through data analysis

Profile Page

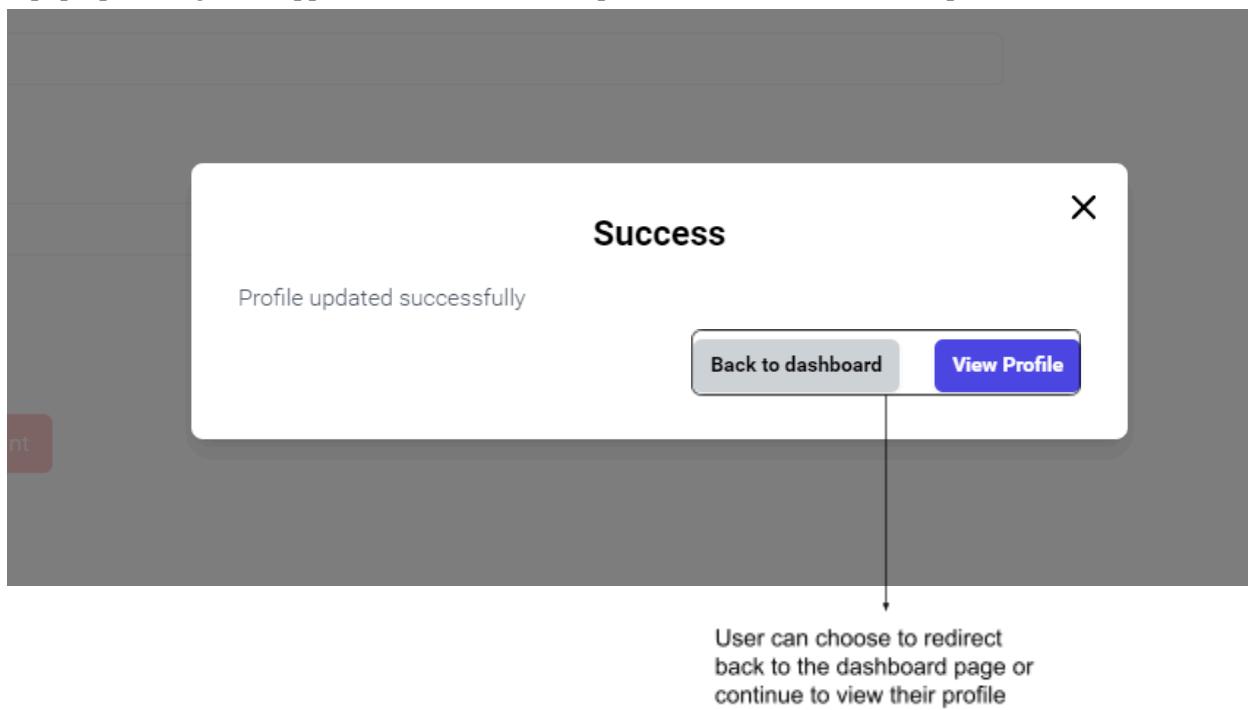

This is the user profile page

After clicking 'Edit Profile' button:

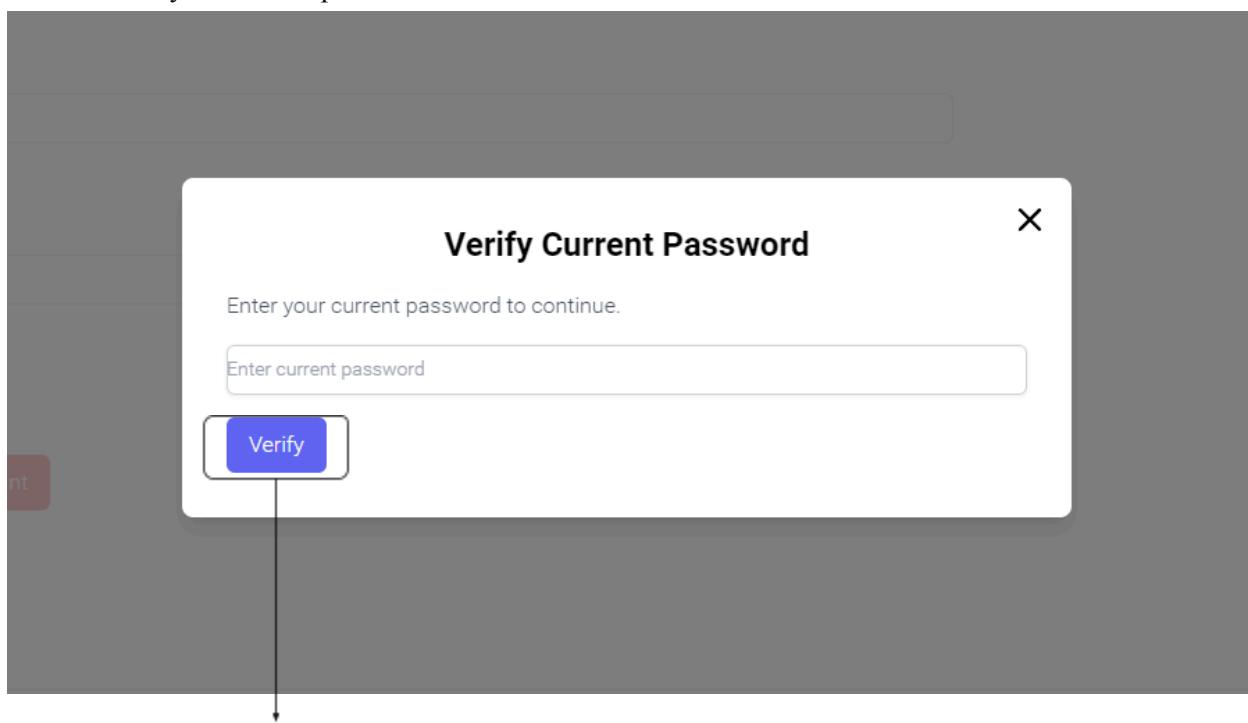

A pop-up message will appear when the user has updated and saved their edited profile:

When the ‘Change Password’ button is clicked, you will be directed to this section.

To change password, you need to go through these steps:

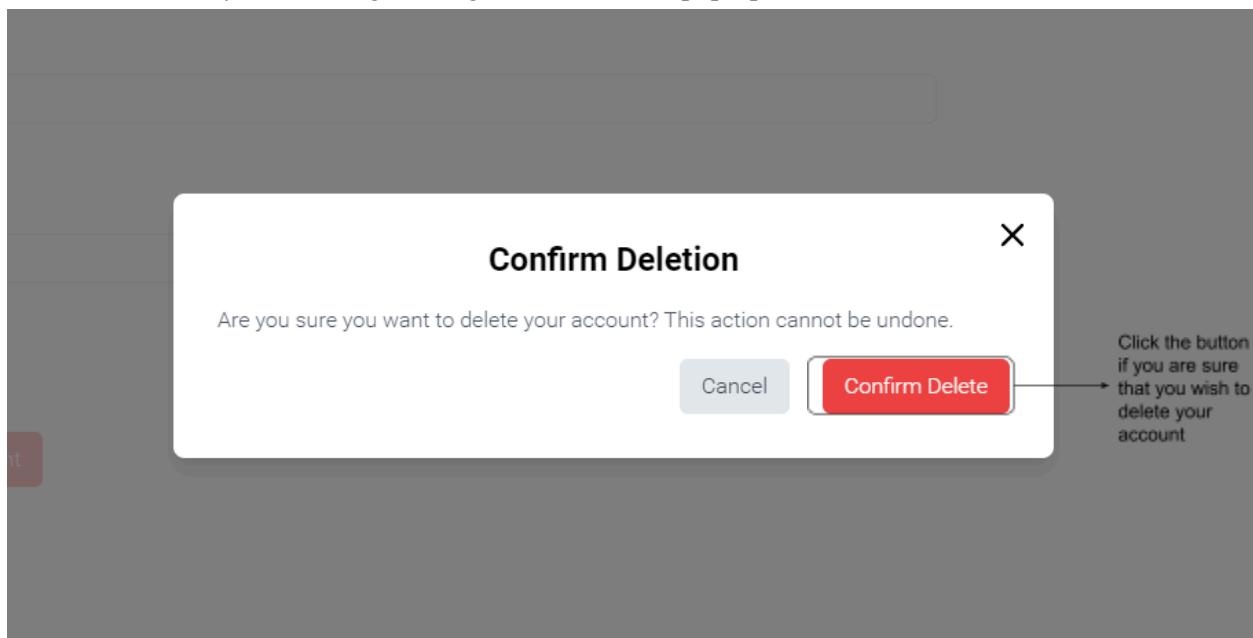

1. Enter your current password

2. If the verification is successful, the system will direct you to change your password:

The screenshot shows the 'Edit Profile' section of the DECOT application. At the top right are navigation links: DASHBOARD, PROFILE, and two small icons. Below the header is a placeholder for a user profile picture. Underneath is a file upload input labeled 'Choose File' with the placeholder 'No file chosen'. A 'Username' field contains the value '12333333'. To the right, under 'Account Management', there is a box containing fields for 'New Password' and 'Confirm New Password'. A red button labeled 'Delete Account' is also visible. A callout box points to these fields with the instruction: 'Enter a new password and retype the password at the 'Confirm Password' field. Make sure both are equivalent.' On the far right, another callout box points to a blue 'Save' button with the instruction: 'Click after you enter your new password'.

When you click the ‘Delete Account’ button, you will be directed to this section.
To delete account, you need to go through a confirmation pop-up:

Workspace Page

This is the workspace content page, user can view all the boards that they are involved in:

Mentor can invite users to join the workspace

Search Board... Enter keyword to search for a specific board

try 123
this is to try for adding members to board
Stage 1
Status: Incomplete

After a comment is marked as resolved, the comment will be moved to the Resolved category

The screenshot shows a user interface for managing comments. At the top, there's a header with the word "Comments" and a "Type a new comment" input field. Below that is a large orange "Add" button. Underneath the input field, there are three filter buttons: "Unresolved" (orange), "Resolved" (yellow, indicating it's selected), and "All". To the right of these filters is a search bar with a magnifying glass icon and the placeholder text "Search comments...". The main content area displays a single comment card. The card starts with a profile picture of a person named "cyun" and the title "MENTOR". Next to the name is the date and time: "1/11/2024, 12:33:04 PM". The comment text itself reads: "Your drawing is not relevant to the topic". Below the comment text is a status indicator: a black circle with a white dot followed by the word "Resolved". At the bottom of the card are two buttons: "Reply to this comment" and "Reply".

And the comment icon will be removed from the page:
