Dashboard

All your workspaces are displayed in this page:

The screenshot shows the DECOT dashboard interface. At the top left is the DECOT logo. To its right is a search bar labeled "Search Workspace...". On the far right of the header are four icons: a bell (notifications), a gear (Dashboard), a person (Profile), and a question mark (Help). Below the header are three workspace cards:

- HELLO**: Workspace Description: bello
- FINAL YEAR**: Workspace Description: jiayou ya
- DATA MINING PROCESS**: Workspace Description: Identify patterns and relationships through data analysis

Annotations on the right side of the dashboard provide instructions for interacting with the interface:

- A callout points to the bell icon with the text "Click to view notifications".
- A callout points to the "PROFILE" icon with the text "Click this to go to profile page or logout".
- A callout points to the "Create Workspace" button with the text "Click this to send a feedback to DECOT team".
- A callout points to the "DASHBOARD" icon with the text "Click to view user manual".

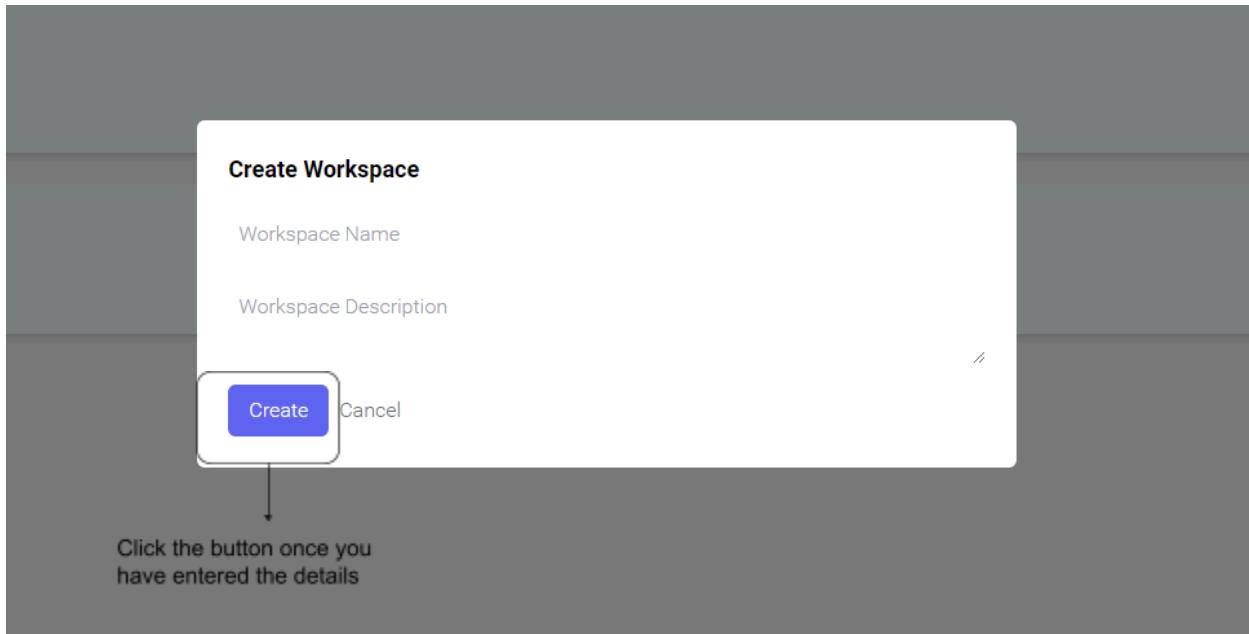

The screenshot shows the DECOT dashboard interface with several annotations:

- An annotation on the left side points to the search bar with the text "Enter keyword to search for a workspace".
- An annotation at the bottom center points to the "DATA MINING PROCESS" workspace card with the text "Click to enter the workspace".
- An annotation on the right side points to the "Create Workspace" button with the text "Click this button to create a new workspace".

When the notification icon is clicked,
The notification dropdown will display:

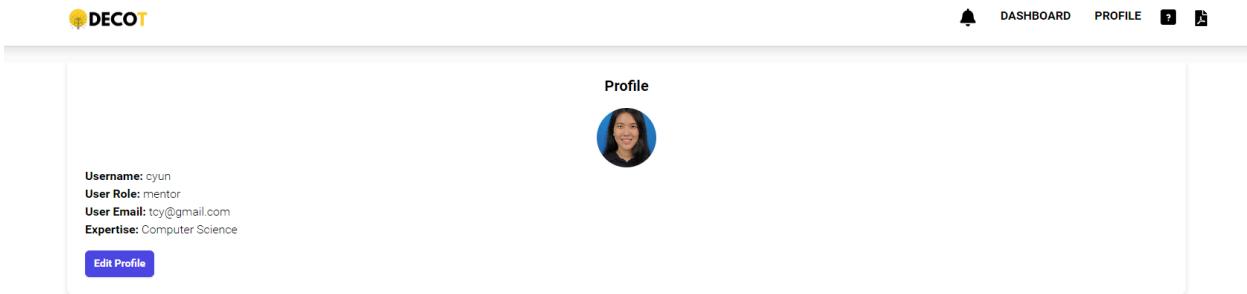

When the ‘Create Workspace’ icon is clicked, the create workspace pop-up will appear.
To create workspace, enter a workspace name and a description:

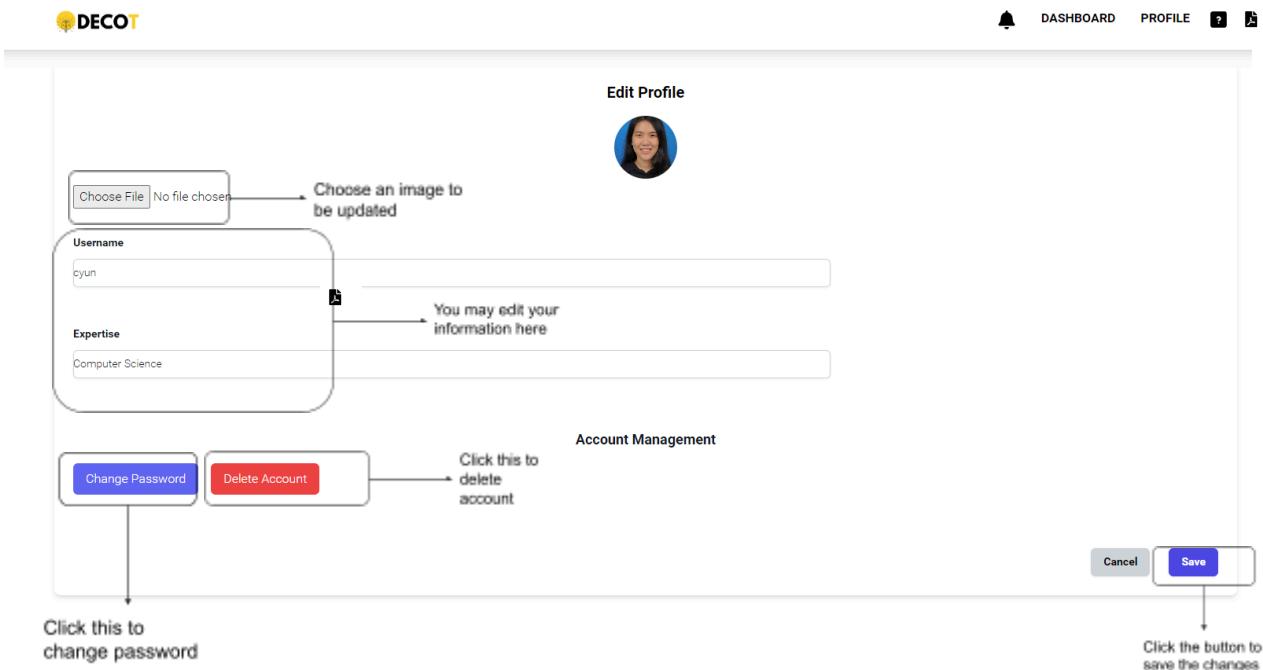

Once you click the create button, the newly created workspace will be automatically displayed in your Dashboard page.

Profile Page

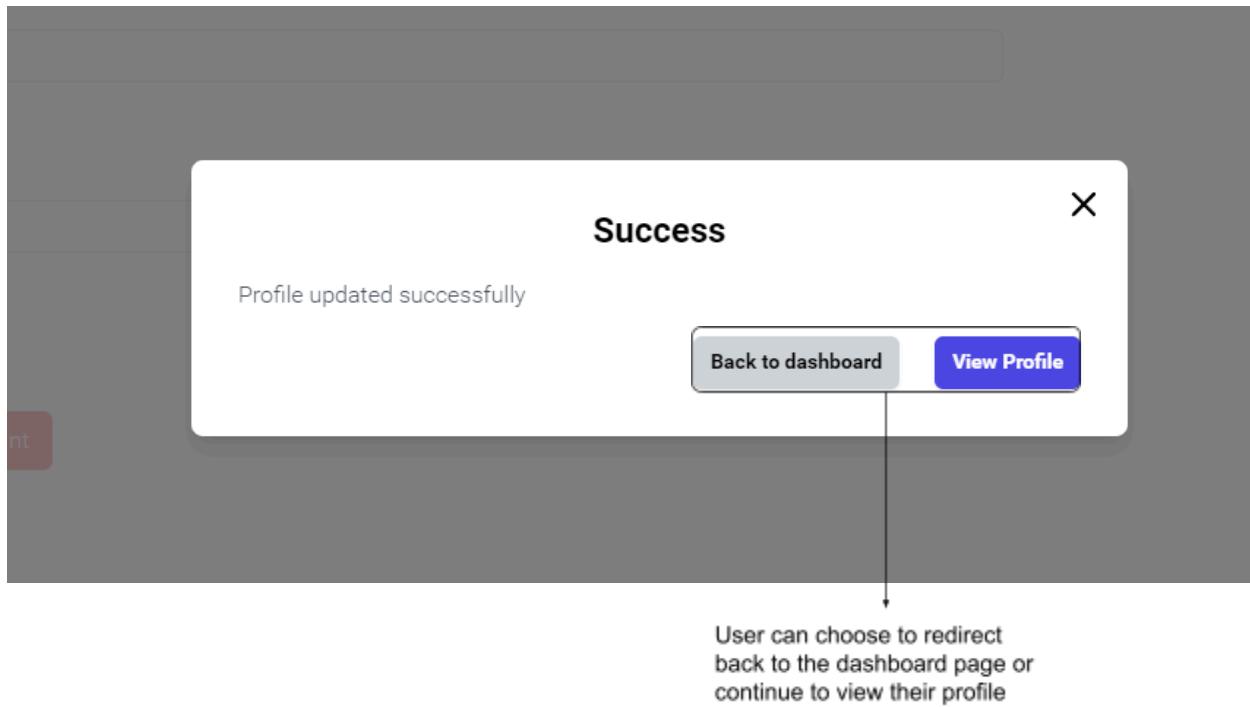

This is the user profile page

After clicking 'Edit Profile' button:

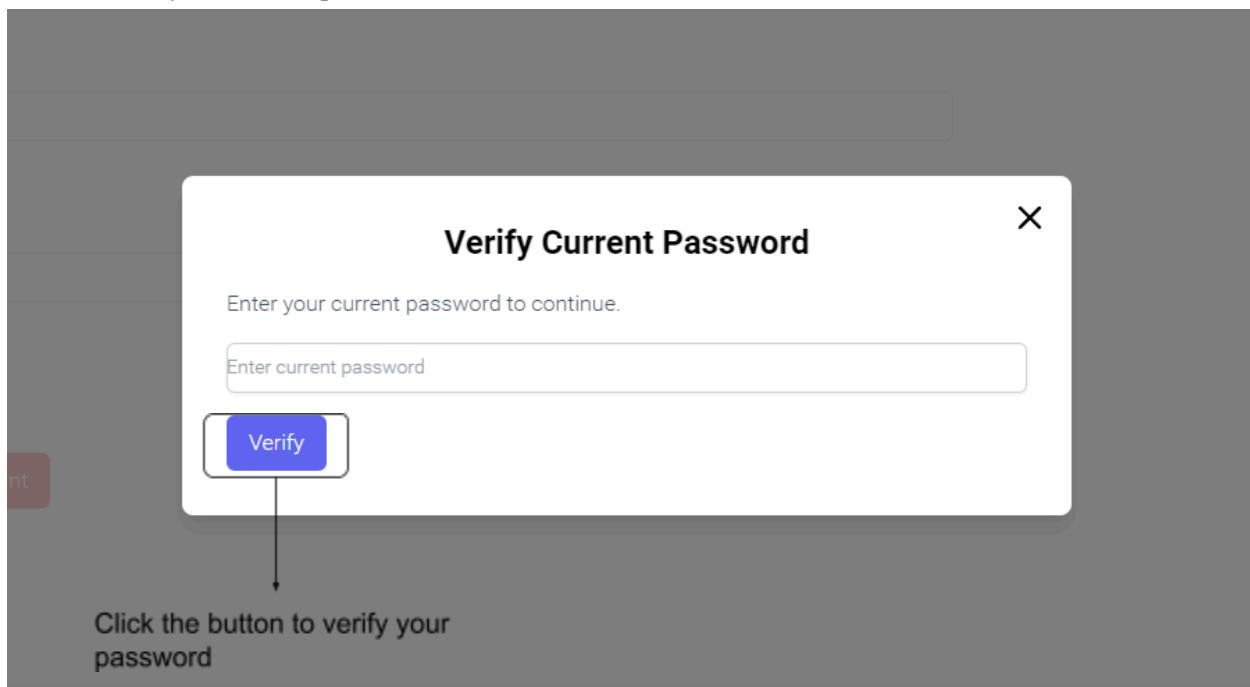

A pop-up message will appear when the user has updated and saved their edited profile:

When the 'Change Password' button is clicked, you will be directed to this section.

To change password, you need to go through these steps:

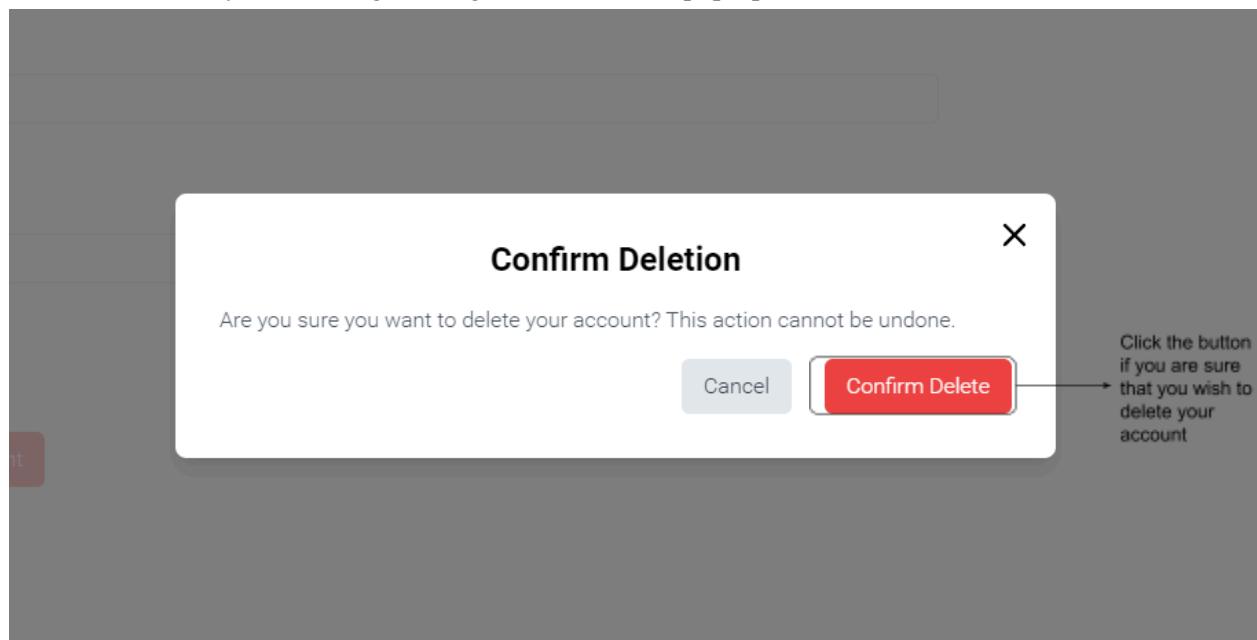

1. Enter your current password

2. If the verification is successful, the system will direct you to change your password:

The screenshot shows the DECOT profile edit page. At the top, there is a navigation bar with icons for notifications, dashboard, profile, help, and user. Below the navigation, the page title is "Edit Profile" and it displays a placeholder profile picture. There are fields for "Choose File" (No file chosen), "Username" (cyun), and "Expertise" (Computer Science). On the right side, under "Account Management", there is a section titled "New Password" containing three input fields: "Enter new password", "Confirm New Password", and "Confirm new password". A red button labeled "Delete Account" is also present. To the right of this section, there is a "Save" button. A callout box with an arrow points to the "Save" button with the text "Click after you enter your new password". Another callout box with an arrow points to the "Delete Account" button with the text "Enter a new password and retype the password at the 'Confirm Password' field. Make sure both are equivalent".

When you click the 'Delete Account' button, you will be directed to this section.
To delete account, you need to go through a confirmation pop-up:

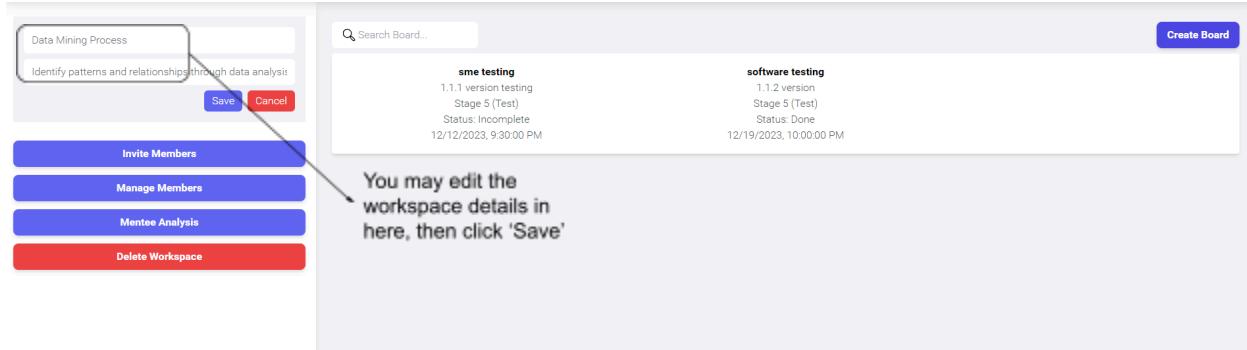

Workspace Page

This is the workspace content page, user can view all the boards that they are involved in:

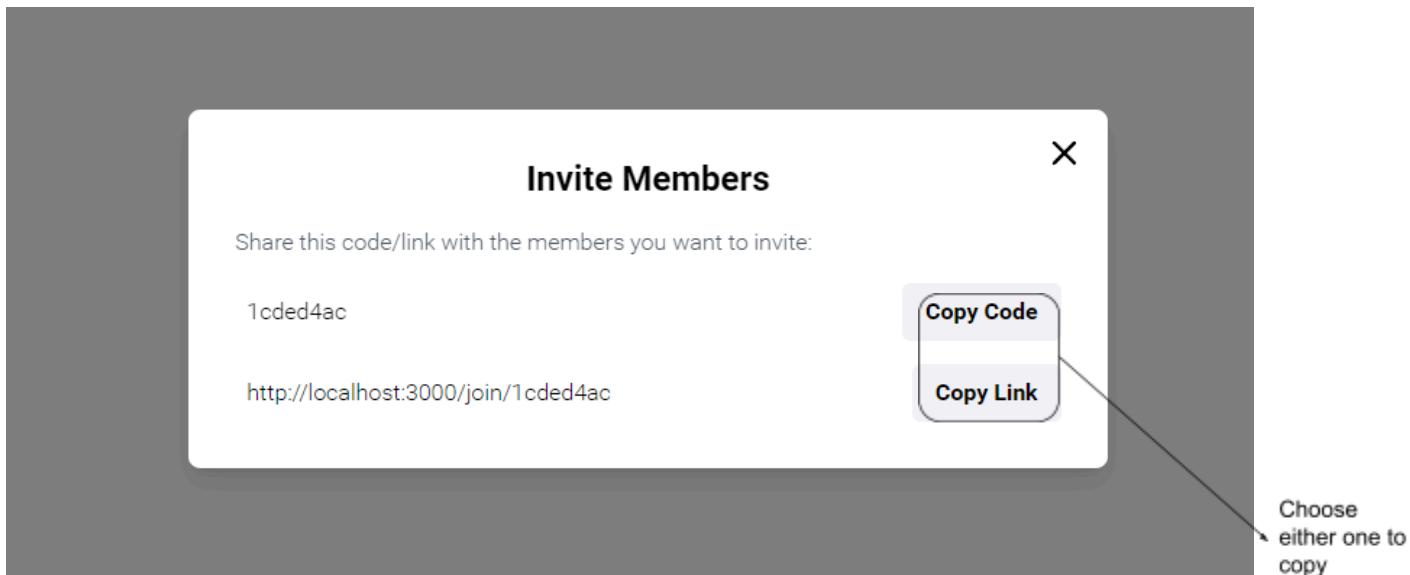

The screenshot shows the 'FINAL YEAR' workspace page. On the left, there's a sidebar with buttons for 'Invite Members', 'Manage Members', 'Mentee Analysis', and 'Delete Workspace'. A tooltip for 'View Mentee Analysis' points to the 'Mentee Analysis' button. The main area has a search bar ('Search Board...') and a 'Create Board' button. Two boards are listed: 'try 123' and 'testing element'. Each board card includes a description, stage, status, and timestamp. A tooltip for 'Click to create a new board' points to the 'Create Board' button.

The screenshot shows the 'FINAL YEAR' workspace page. On the left, there's a sidebar with buttons for 'Invite Members', 'Manage Members', 'Mentee Analysis', and 'Delete Workspace'. A tooltip for 'Click to edit workspace details' points to the edit icon next to the workspace name. The main area has a search bar ('try') and a 'Create Board' button. A tooltip for 'The list of messages of the workspace are displayed' points to a 'CHAT' box. The 'CHAT' box contains a conversation between 'cyun' and 'jiayou ya'. A tooltip for 'Right-click on a message to delete' points to the 'jiayou ya' message. A tooltip for 'Click the icon to display chatbox' points to the message icon in the bottom right corner of the 'CHAT' box.

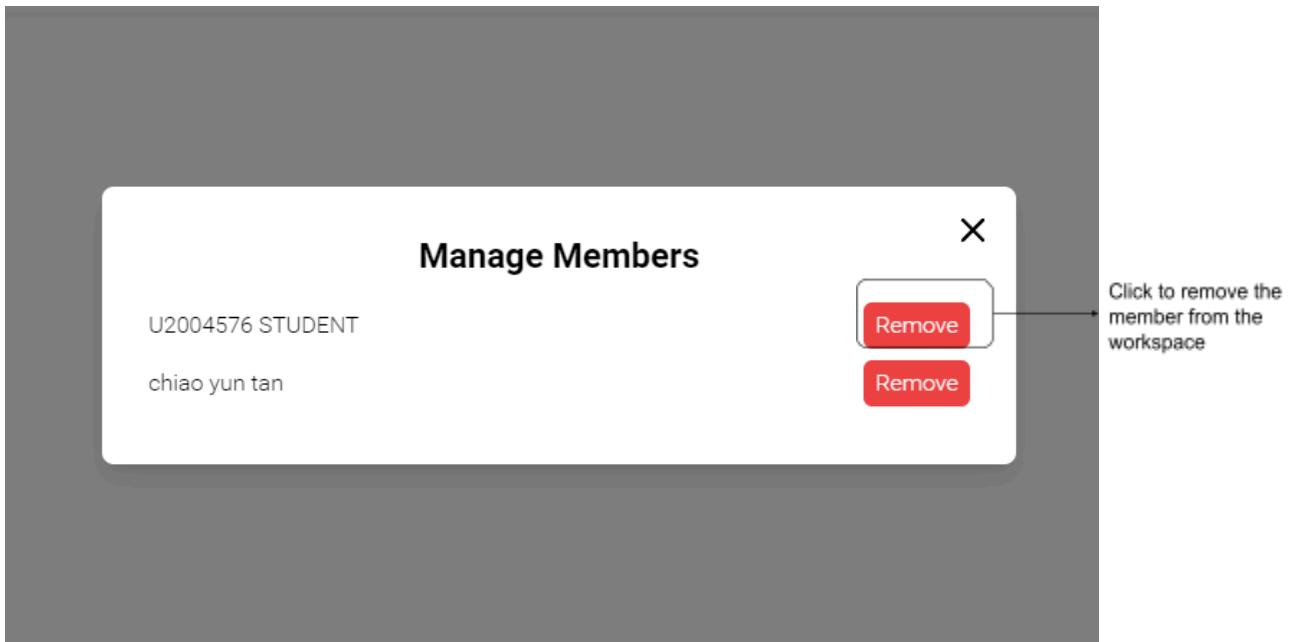

When you click the pencil icon, the edit workspace details section will appear:

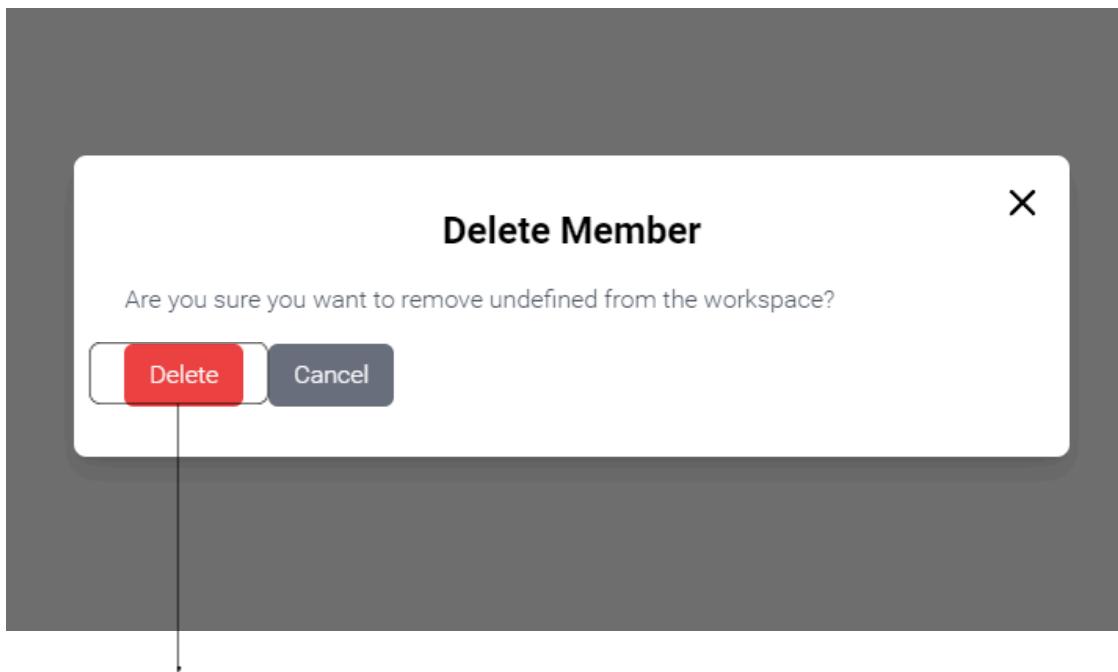

When you click the ‘Invite Members’ button, a unique code and url link will display. You can choose to copy the code or the link for sharing purposes:

When you click the ‘Manage Members’ button, the list of members will be displayed:

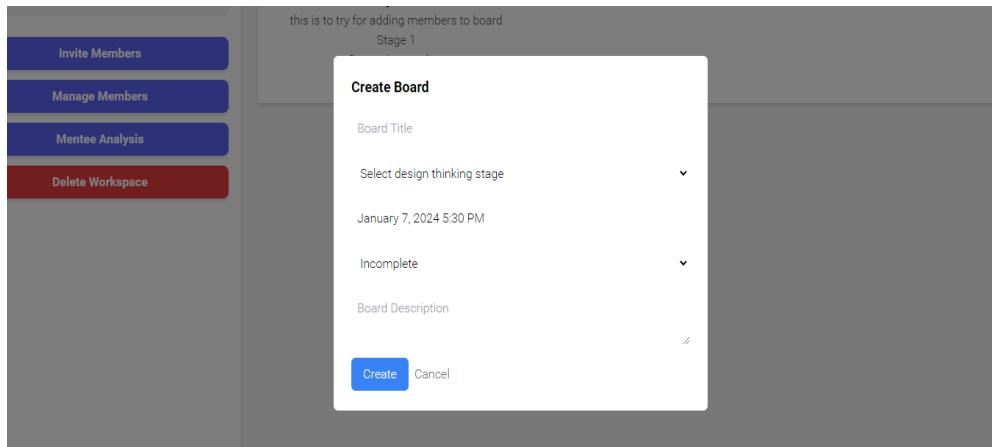

When you click the ‘Remove’ button:

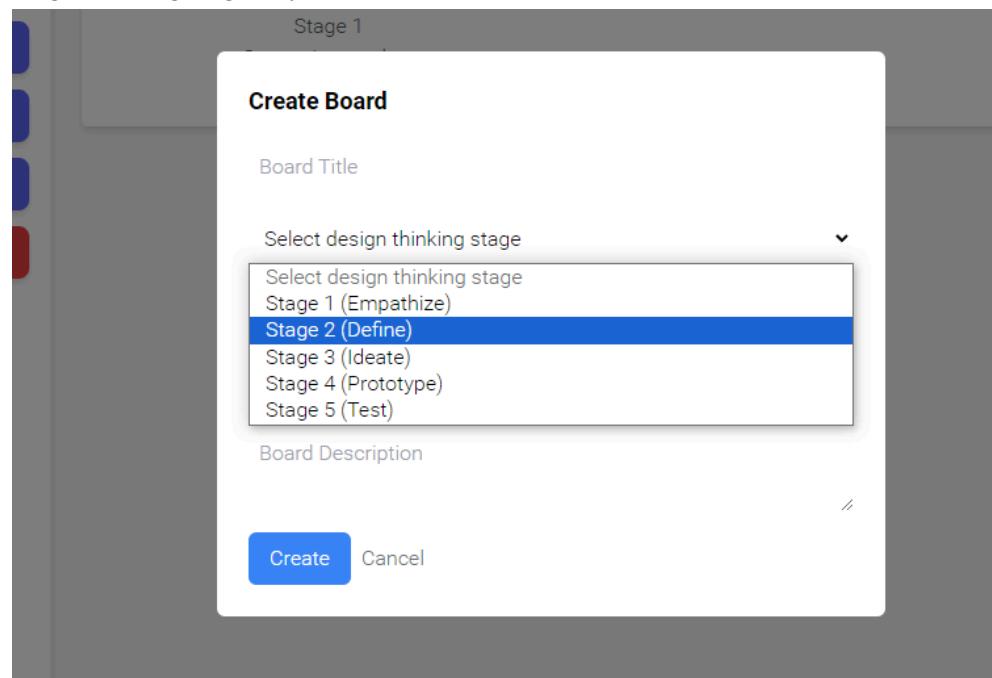

Click to delete the member from the workspace

When the ‘Create Board’ icon is clicked, the create board pop-up will appear.

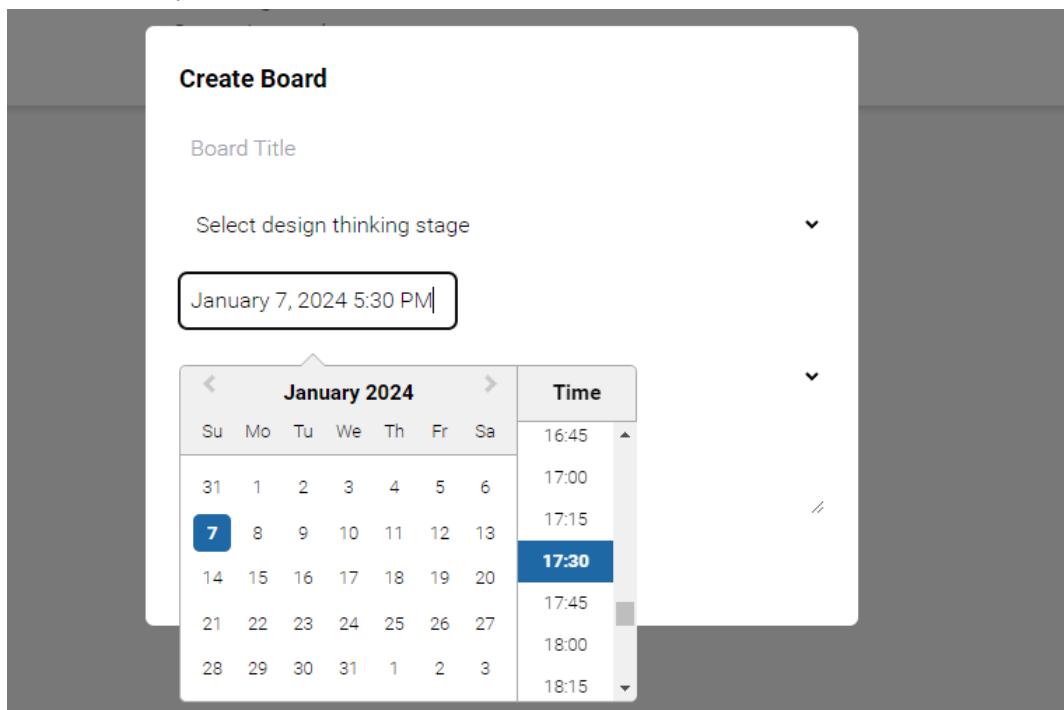

To create board, enter a board name, description, then select a design thinking stage, a deadline, and the status:

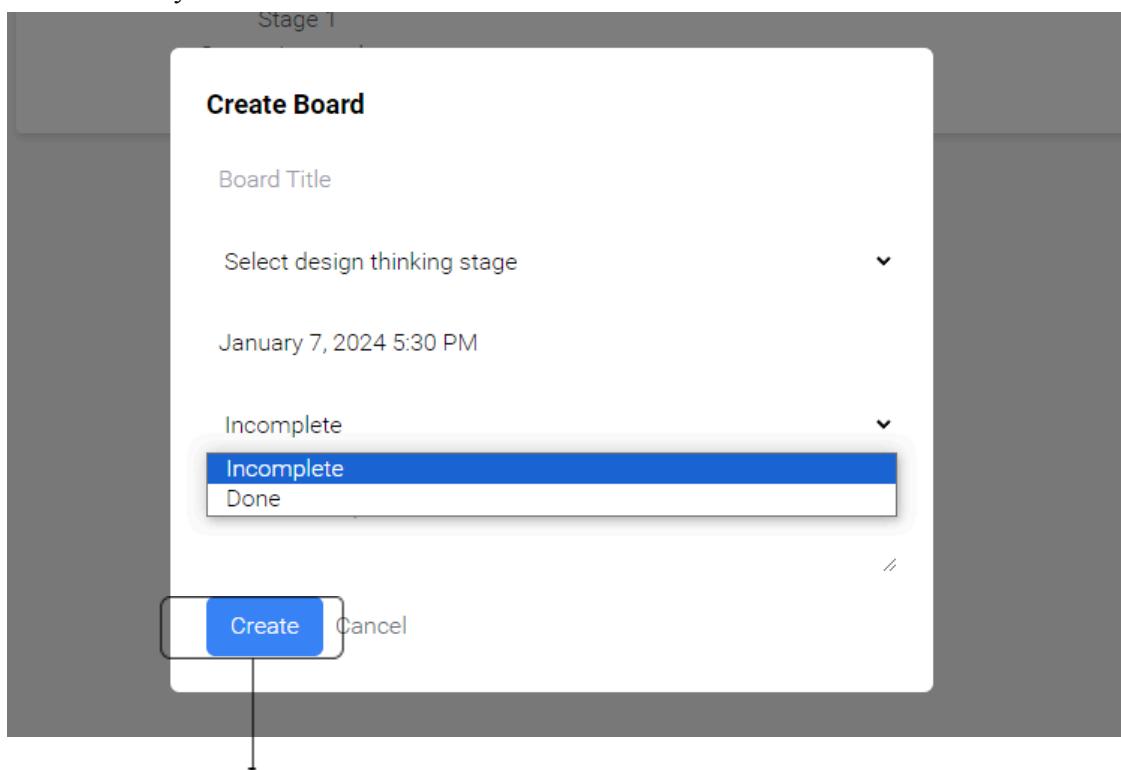

Select the design thinking stage of your board:

Select the deadline of your board:

Select the status of your board:

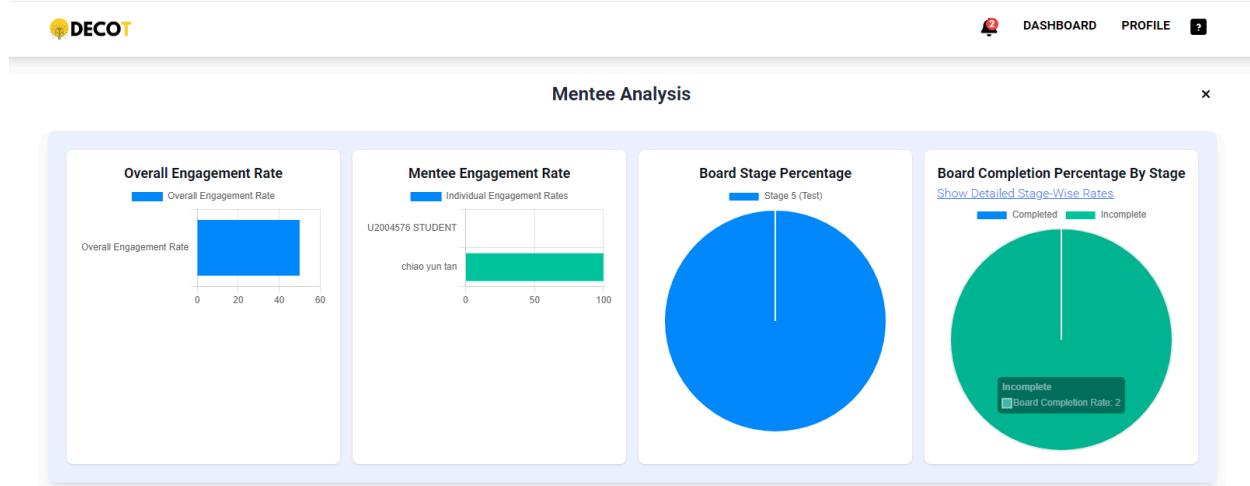

Click to create the board

Mentee Analysis Page

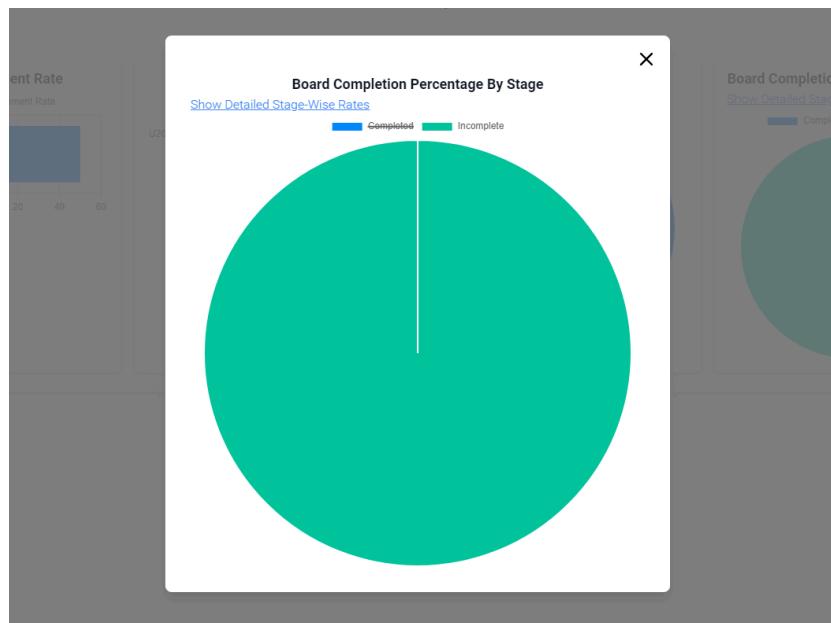

When the 'Mentee Analysis' button is clicked, you will be directed to this page

After a comment is marked as resolved, the comment will be moved to the Resolved category

The screenshot shows a user interface for managing comments. At the top, there's a header with the word "Comments" and a "Type a new comment" input field. Below that is a large orange "Add" button. Underneath the input field, there are three filter buttons: "Unresolved" (orange), "Resolved" (yellow), and "All" (light gray). A search bar with a magnifying glass icon and the placeholder "Search comments..." is positioned below the filters. The main content area displays a single comment card. The card features a profile picture of a person named "cyun" (labeled as a "MENTOR"), the timestamp "1/11/2024, 12:33:04 PM", and the comment text "Your drawing is not relevant to the topic". Below the comment text is a status indicator showing a black circle followed by the word "Resolved". At the bottom of the card are two buttons: "Reply to this comment" and "Reply".

And the comment icon will be removed from the page:
